*The recipient of this report is deemed to be aware that if some stages of the standard procedure recommended by the Equine Branch of the New Zealand Veterinary Association are not carried out, any information or opinion contained in this report is based on partial examination only. Some clinical signs of disease, injury or abnormality that may have manifested themselves in the full five stage examination may not be apparent in the restricted examination.*

*Where this examination and report are requested for the purpose of a business they are deemed to have been carried out upon the basis that the examining veterinarian's liability, howsoever arising, shall be no greater than a sum equivalent to 100 times the fee charged for the provision of this report. In addition, liability for consequential losses of any nature are also excluded.*

*This contract is governed by New Zealand law.*

*The buyer irrevocably agrees that the Courts of New Zealand will have exclusive jurisdiction to hear and determine all disputes under or in connection with this contract. The buyer further acknowledges that New Zealand is the forum conveniens for the hearing and determination for all disputes in connection with this contract.*

*Ownership of X-rays. The purchaser acknowledges that any radiographs taken in the course of this examination are the property of Southern Veterinary Centre, but it is further acknowledged that copies of the radiographs will be supplied at the purchasers request and expense.*

*Reliance upon this report will constitute an acceptance of the limitations of liability referred to above.*

*In addition, the nature and extent of this report has been determined by particular request. In the circumstances the examining veterinarian disclaims any liability whatsoever to any party other than the party directly responsible for requesting and paying for the services rendered.*
